

# TWENTY|20 MINISTRIES

The eye is the lamp of the body. If your eyes are healthy, your whole body will be full of Light.

Matthew 6:22

## 1 Program update

### LIGHT UP LEARNING

#### Scholarship Program

We are very pleased to share that we have served our first few scholarship recipients and are just beginning to see the results.

Our preparation has served us well! As we continue to learn and grow we are fine-tuning the application process, our paths for communication with referrals sources, and the line of communication between Twenty20 Ministries and our providers.

## 2 Collaboration

Collaboration with community partners and programs is essential to our success (as well as part of our goal of building bridges) and we have had several opportunities recently to do so!

This week we had the chance to chat with the Executive Director of Eyes of a Champion: Brandon Burlsworth Foundation. This program, in Arkansas, does something very similar to the Light Up Learning Program and it was great to get some very practical advice for someone who has already walked a similar path.

We were also invited to participate in a recent meeting of the Fisd Student Health Advisory Committee (SHAC). This will be a great avenue for us to hear the health concerns of local parents as well as establish our program within the Fisd community. We even got a SHOUT-OUT from one of the school nurses!!

## Pediatrician Connection

Our growing potential for connection with local Pediatricians is becoming a reality and we are so very excited.

We recently visited Pearland Pediatrics and Dr. Onhaizer to get a better idea of how we might implement our Scholarship Program through their office. We delivered informational material so that their office is prepared to share the availability of our program with families who have a need.

We plan to meet with their staff in the coming weeks to further promote and share our vision.

## Prayer requests

- Pray for continued progress towards receiving our non-profit status, and for all the activity that will follow once we do.
- Continue to pray for the kiddos who will receive services and for the providers who will be serving them.
- Pray for all of our interactions, that we will be a conduit of love, generosity, and FULL OF LIGHT.

## Board Update

The board of directors plans to meet quarterly to dream, collaborate and inspire new and exciting goals for Twenty20 Ministries!

The next meeting of the board will be on January 7th, 2025.

Additional emails to note:

## Non-profit status

We have finalized and submitted all of our documentation and are now in the "waiting" period (patiently, of course) until we receive our 501C3 Non-profit status. Stay tuned for more information!
