

TWENTY|20 MINISTRIES

Our forward momentum...

... is moving at lightning pace and we have been blown away by the way God has paved a smooth path before us. We are so very thankful for your prayers and support as we continue into the school year.

UPDATES!

1 Website

Our website IS UP
and RUNNING!

Check it out!

2 New program name!

As we headed into launching our program with Friendswood ISD we realized we would need to give our scholarship program a name that could be universally embraced by all of our local participating practitioners.

The Light Up Learning Scholarship Program name was drawn directly from the verse that inspires our mission and passion.

LIGHT UP
LEARNING
Scholarship Program

The eye is the lamp of the body. If your eyes are healthy, your whole body will be full of Light. Matthew 6:22

Leadership!

We're so excited to welcome Debbie Woodson to our team as a board member. Debbie comes to us with a thorough understanding of our local schools, a heart for children and a sweet commitment to the Lord and the ministry He has called her to.

We'd also like to welcome Thad Roher to our Advisory Council. Thad is the Superintendent of schools at Fisd and we're so grateful for his support, vast knowledge of area school systems and dedication to kids, not to mention his immediate belief in us and our program!

Prayer requests

One thing we're feeling VERY aware of as we walk with our own children, is the anxiety kids experience as they move into the newness and unknown of a new school year. Our program is just one way that kids can feel seen and cared for. Pray for the kids who will receive our services, that our care will give them the self-esteem to step into the school year with confidence!

FISD Update

Heading into a new school year!

We recently met with FISD Nursing staff along Dr. Beth Robinson and Dr. Reed Hopping (at the school they will be serving) to introduce the Light Up Learning Scholarship Program. We met with nurses in each of the elementary campuses and again the response was overwhelmingly positive! We are looking forward to working with this talented and compassionate staff that serves our local kids. Attached is some further information on how our Light Up Learning Program will work within FISD.

Non-profit status

We are consistently getting closer to receiving our non-profit status which will give us more freedom! Our non-profit will officially be registered as Matthew 6:22 Ministries but we will operate under Twenty20 Ministries. Pray that this continues to move forward smoothly.
