

TWENTY|20 MINISTRIES

The eye is the lamp of the body. If your eyes are healthy, your whole body will be full of Light.

Matthew 6:22

1 Program update

LIGHT UP LEARNING Scholarship Program

We are excited to announce that we have served four children since the middle of October! We have also awarded another four scholarship certificates that will be redeemed within the next several weeks. During the holiday season we are reminded of how thankful we are for the support of our team of nurses, doctors, staff members and administration that care for students well!

2

GROWTH!

As we jump into the new year we are also jumping into a new partnership with Clear Creek ISD schools. We will be serving four "pilot schools" within CCISD after the first of the year. We are also in the process of onboarding new Optometry practices to serve the kids in these schools! Thank you to the teams at both of these practices who have committed to serving kids by providing eye exams and glasses!

Getting involved!

We now have three important ways for you to get involved:

1. PRAY! (see list to the right)
2. DONATE--Our new donation link can be accessed by scanning the QR code below. It's BRAND NEW and we are excited to use it!
3. PARTNER--As always we are looking for people who would like to partner with our ministry. If you or someone you know would like to connect with us, please email us at info@twenty20ministries.org.

Prayer requests

- Pray for clarity as we plan for the growth that we hope to experience in the coming year.
- Continue to pray for the kiddos who will receive services and for the providers who will be serving them.
- Pray for all of our interactions, that we will be a conduit of love, generosity, and FULL OF LIGHT.

Board Update

The next meeting of the board will be on January 7th, 2025, where we will look at the planning calendar and budget proposal for the coming year.

It's going to be a BIG YEAR for T20M!

4

Non-profit status

The waiting period is over. We have received our non-profit 501(c)(3) status and will hit the ground running in 2025!
