Scholarship Program

Since our last update at the end of December we have served an additional 3 children through our scholarship program, with a total of 7 children served and 11 scholarships issued!

What a blessing to have the resources to change the lives of local children by providing care they might not otherwise have received!

GROWTH!

Our partnership with CCISD is gaining momentum!

We've already awarded two scholarships, with more on the way.

As the new school semester begins, many of the children we serve will be students who have lost or broken their glasses, recently moved into our district, or have been newly identified with vision care needs.

Thanks to the dedication of our school nurses, pediatricians, optometrists, and partnering practices, local students now have greater access to essential eye care.

Exciting new opportunities are unfolding for Twenty20 Ministries and the Light Up Learning program, and we can't wait to see what's ahead!

Getting involved!

THREE important ways to get involved:

1. PRAY! (see list to the right)
2. DONATE--Our new donation link can be accessed by scanning the QR code. It's BRAND NEW and we are excited to use it! 
3. PARTNER--As always we are looking for people who would like to partner with our ministry. If you or someone you know would like to connect with us, please email us at info@twenty20ministries.org.

Prayer requests

- Pray for our partnership with FISD & CCISD, it's students, staff and administration.
- Continue to pray for the kiddos who will receive services and for the providers who will be serving them.
- Pray for all of our interactions, that we will be a conduit of love, generosity, and FULL OF LIGHT.

Board Update

Our Board of Directors meet on Janu.ry 7th, 2025 to discuss and plan for the coming year with one of our directors joining us by Google Meet from out of the country!
