LIGHT UP LEARNING

Scholarship Program

Over the course of the 24-25 SY we awarded 22 Scholarships to local kids in need.

So far in the 25-26 SY we have already matched (and exceeded by a few) that number. We have awarded 24 Scholarships and it's only October!

2 GROWTH!

Our partnership with local schools continues to grow and we are excited to share that we are now providing scholarships to 3 different school districts; FISD, CCISD and Pearland ISD--with more in the works! As we grow into these new areas the need for providers increases dramatically. Our focus for the rest of the school year is on finding and onboarding private optometry practices that share our passion for helping kids.

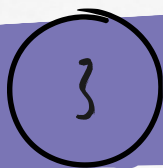

Our Participating Providers:

Twenty20 Vision Center-Friendswood
Twenty20 Vision Center-Egret Bay
Hopping Eye Associates-Friendswood
Hopping Eye Associates-Clear Lake

See B Seen
Eye Trends-Clear Lake
Falcon Pass Vision Center
Bay Area Eye Center
Texas State Optical-Pearland

Breakfast for Brighter Futures

We recently had our very first fundraiser on October 4th, 2025--Breakfast for Brighter Futures was a wonderful success and a true blessing for Twenty20 Ministries! The event received a resounding response from our community, filling the room with encouragement, excitement, and support for the mission God has placed before us. During the breakfast, we shared our origin story, reflected on how far we've come, and cast vision for where we're headed next as we continue to expand our reach and impact more children in need of vision care.

Through the incredible generosity of our guests and supporters, we were able to raise over \$43,000 to help further our mission! It was a morning full of heartfelt connection and affirmation that we're moving in the right direction. A big thank-you to Buffalo Catering and Wayside Coffee Co. for providing the delicious breakfast that made the morning even brighter!
